

LAPIS AND BRUSHES

Colori, smalti e brillantezza sono i tratti distintivi di questa allegra collezione nella quale vengono presentate queste due originali sospensioni in ceramica che riproducono una matita ed un pennello tondo. La collezione è frutto di una lavorazione interamente manuale che presta particolare attenzione alla fase dedicata alla colorazione finale.

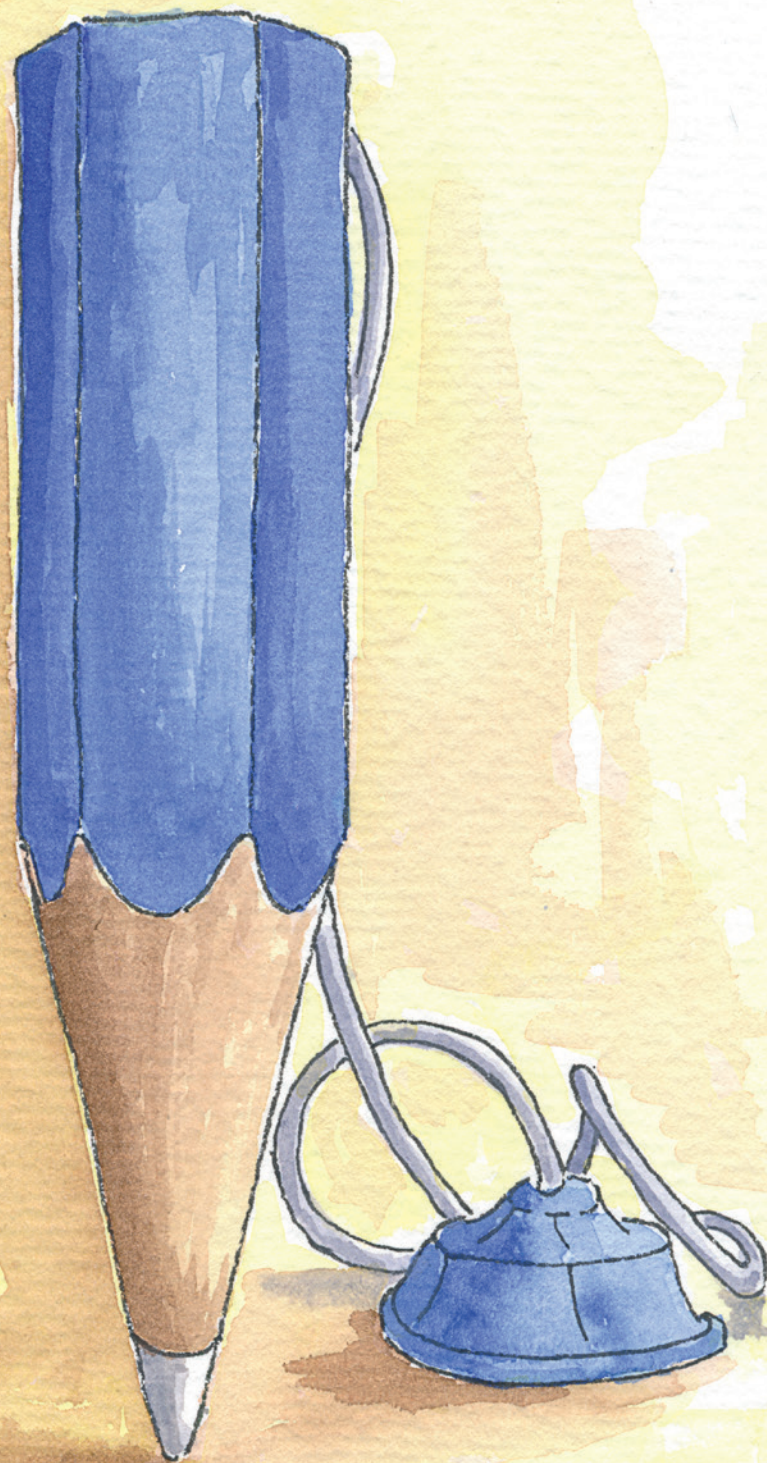

Entrambe le sospensioni sono disponibili in sei varianti di smalti colorati. La ghiera del pennello è decorata in platino 22 carati.

Si inseriscono con facilità in tutti i contesti inerenti l'hospitality ma anche in spazi didattici o setting creativi.

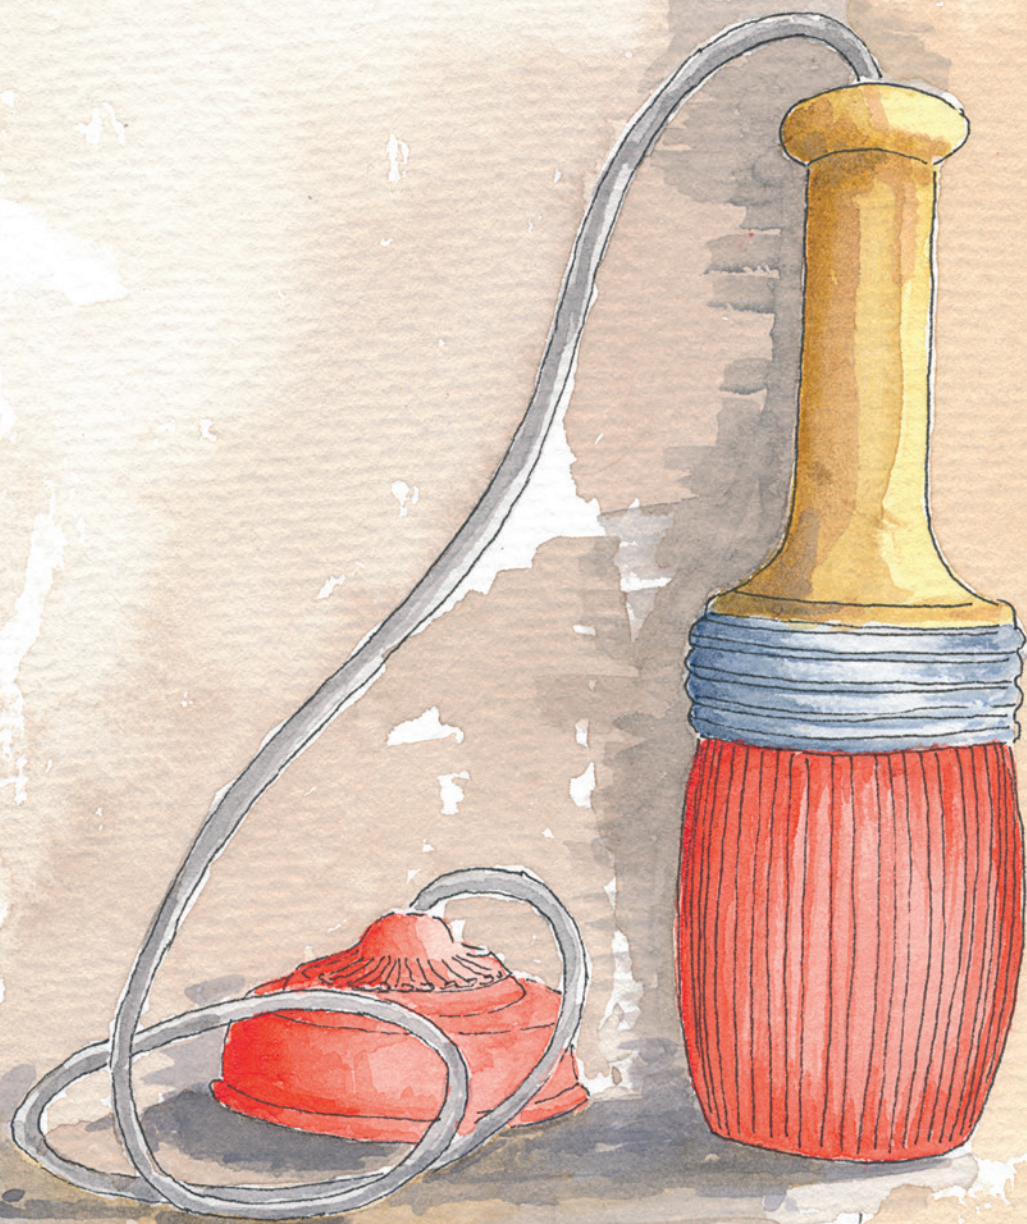

Colours, glazes and brilliance are the distinctive features of this cheerful collection in which these two original ceramic suspensions are presented, reproducing a pencil and a round brush. The collection is the result of an entirely manual process that pays particular attention to the phase dedicated to the final coloring.

Both suspensions are available in six variants of colored enamels. The ferrule of the brush is decorated in 22-karat platinum.

They fit easily into all hospitality contexts but also into educational spaces or creative settings.
